Commissioner of Patents and Trademarks

The amendment filed April 10, 2000 proposes amendments to cancel all prior amendments is improper and at least a proposed amendment made to claim 1, at line 2, with the term "comprising" newly introduced instead of "composed" as in the original claim is also improper. Such amendment does not comply with 37 CFR 1.121(b), which sets forth the manner of making amendments in reissue applications. A supplemental paper correctly amending the reissue application and a substitute specification are required. See MPEP 1453.

It is noted that the proposed amendment set forth above does not fully response to all issues raised in the previous Office Action dated February 4, 2000.

It is also noted that the original amendment of April 10, 2000 has been found and placed in the file.

A shortened statutory period for reply to this letter is set to expire ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this letter.

Any inquiry concerning this communication or earlier communication from the examiner should be directed to Tu Hoang whose telephone number is (703)-308-3303.
